

Awaken Intuition Development Circle

Rev. Kimberly Hicks teaches this class.

The class elements are discussion, exercises and a Development Circle. This class is for all levels. You will learn tools to help you connect with Spirit and gain confidence in your connections with Spirit.

The goal of the classes are to empower you to recognize what you are receiving from Spirit and how to decipher the information you are receiving. You can attend both classes if you like.

Contact Rev. Kimberly Hicks at 858-204-5826 or kimberly@fsccl.org
