Thursday Nights 7:00 pm - 10:00 pm
October 24, 2019 - May 2020
Donation \$10 a class

This is a great class for all levels to learn about your connection to God and his angels and touch in with family and friends who have crossed over but not are not dead, only changed forms of energy. There are so many healings and miracles that take place in the class. They are truly amazing and life changing. The class starts of with God Stories, then a class lesson, and then Circle, which is conducted in the dark. They are only open to newcomers for the first 4 weeks. Try out both nights to see which is the right fit for you. Then you will choose one night (Tuesday or Thursday) and make the commitment through May 2020.
